

FAQ :

HOW TO COLLECT DIGITAL COLLECTIBLES?

To get started, all you need is a PSG account. Creating an account is quick and free with an email address. Click on "Sign in" at the top of the page and follow the steps to create your account.

Once your account is created, you can start collecting Digital Collectibles. There will be many opportunities to obtain new Digital Collectibles. Be sure to follow PSG on its social networks, check your mailbox regularly, and stay tuned on match days at the stadium.

The point of Digital Collectibles is to have fun collecting digital objects of varying rarity from your favorite Club. In this way, you become the owner of a unique digital object or an unforgettable memory.

WHERE CAN I FIND MY DIGITAL COLLECTIBLES?

Once you've added a digital collectible to your collection on the dedicated platform, you can find it by accessing the "CONCORDE" section of your PSG account.

WHEN ARE THE NEXT DIGITAL COLLECTIBLES DROPS?

The dates of collectibles drops will be announced on the Club's social networks. To make sure you don't miss a thing, activate notifications, and check your mailbox regularly. Early information on drops will also be shared via the Club's new official Discord channel: <https://discord.gg/Su5wWfFT>.

WHAT IS WEB 2 AND WEB 3?

Web 2 refers to the current version of the Internet: version 2. It is characterized by user interaction (interacting, creating, and sharing content on social networks, blogs, forums, etc.), data centralization, and current uses (social networks, web applications, e-commerce, etc.).

Web3 is a future vision of the internet that we have already stepped into, relying on the decentralization of data thanks to blockchain and cryptocurrency technologies.

WHAT IS THE BLOCKCHAIN?

Blockchain is a technology for storing and securing information in a secure and decentralized way. This information can only be modified by authorized individuals.

WHAT IS THE DIFFERENCE BETWEEN A DIGITAL COLLECTIBLE AND AN NFT?

An NFT (Non-Fungible Token) is a digital collectible distinguished by its use of the blockchain to guarantee authenticity and ownership. Not all digital collectibles are NFT's, including those from PSG Concorde.

HOW DO I KNOW IF MY DIGITAL COLLECTIBLE BRINGS ME A REWARD?

Digital Collectibles with rewards are generally obtained by completing "super-quests" on the PSG Membership loyalty program. They are reserved for members of the program who have reached a certain status. This option will be available during the 24/25 season.
